Private Banquets

Deer Valley Resort's Banquet Department features creative and award-winning cuisine along with impeccable service and ease of access to ten (including evening) on-mountain restaurants in our three rustically elegant day lodges. Food critics and skiers alike rank Deer Valley's dining #1 year after year.

Empire Canyon Lodge: Located at the base of the spectacular Daly Chutes at an elevation of 8,300 feet lies the Empire Canyon Lodge. Although less than two miles from Silver Lake Village by road, Empire Canyon Lodge features a remote, dramatic mountain setting with breathtaking views and is an outstanding off-site choice for dinners, banquets, barbecues, weddings and outdoor functions. Five distinctive rooms totaling over 7,000 square feet offer slate and granite fixtures, smooth cedar walls and vaulted ceilings. Home to winter season's Fireside Dining, a unique dining experience featuring local favorites from the European Alps including warm raclette cheese, specialty stews and dessert fondues served from our five stone fireplaces. Empire Canyon Lodge is an ideal location for any function. <http://www.deervalley.com/meetings/empire-canyon-lodge.html>

Silver Lake Lodge: In the shadow of Bald Mountain, you'll find our secluded midmountain Silver Lake Village and its focal point, the Silver Lake Lodge. At an elevation of 8,100 feet, this lodge features spectacular views along with ten exquisitely-appointed meeting and banquet rooms, totaling 15,000 square feet and ranging in size from 490 to 3,500 square feet. Silver Lake Lodge is home to Deer Valley's premier and award-winning Mariposa restaurant in winter as well as the Royal Street Café. <http://www.deervalley.com/meetings/silver-lake-lodge.html>

Snow Park Lodge: The elegantly rustic Snow Park Lodge lies at the base of Deer Valley Resort and offers seven inviting meeting and banquet rooms totaling 15,000 square feet and ranging in size from 800 to 3,500 square feet.
