Park City, Utah

Park City, Utah began as a silver mining town, nearly faded into history as a ghost town, and then re-invented itself as a ski town that has grown into a year-round destination hosting global events such as the 2002 Winter Olympic Games and the annual Sundance Film Festival. In just eight years, Park City and Deer Valley Resort will once again step into the global spotlight as an official venue for the 2034 Olympic Winter Games. Deer Valley will proudly host the freestyle skiing events, including moguls and aerials, continuing its tradition of supporting winter sport development on the world stage.

Historic Park City Main Street

At the heart of Park City is Historic Main Street, home to over 100 unique businesses. Visitors can shop among the independent boutiques and galleries, dine at one-of-a-kind restaurants and enjoy local craft beer and spirits at one of the many bars and saloons. Everything is within a short walk or you can also enjoy a free ride on the Main Street Trolley.
